

Parliament resumes this week with a church service. Let us renew our commitment to pray for our leaders and our nation.

Stand in the gap and take your place in God's army. We can meet around the throne even though we live in towns and cities around Australia.

In 2007 the praying people of God answered His question to us, "What kind of government do you want?" In 2010 we praised Him that He had heard our prayers. Section 7 of week 4 reads:

"We pray that Parliament would honour and defend the Christian foundations of our nation; including the unerring commitment to the upholding of the constitution as well as Christian prayer in Parliament and services of national significance. **We pray for legislation to be preserved, implemented and extended to uphold Godly Christian values which will permeate and affect our society for good.** Eg marriage, industrial relations, pornography, abortion etc

Matthew 19:4-6; Hebrews 13:4

Take these words with you in worship and thanksgiving; proclaiming that God's will be done.

*They look like horses;
They charge forward like war horses.
Look at them as they leap upon the mountaintops.
Listen to the noise they make – like the rumbling of chariots,
Like the roar of fire sweeping across a field of stubble,
Or like a mighty army moving into battle.
Joel 2:4,5*

We are God's warhorses and it time for the warrior bride to arise. As war horses the smell of victory will become stronger in our nostrils. It is like the fragrance of Christ that arises from the finished work of the cross. Come Lord Jesus come.
